The property was purchased by Joseph Jaquish on May 18, 2021 through a tax deed sale in the amount of ($45,000.00) The original code violation was issued on May 7, 2015 for storage of junk, trash and debris and harborage of vermin. The property has come into compliance for these violations on May 26, 2021. The property owner is working to repair and improve the property which, still has a lot of work to be done but has not been code enforced for these other items. The code violation had been cited and the case brought to the Special Master in June 14, 2015. The liens began to accrue and over time have accumulated to $172,480.00 before stopping when the property reached compliance on May 26, 2021 after being purchased by Mr. Jaquish at a tax deed sale. Mr. Forte stated that since the property had been acquired through a tax deed sale with excess funds held in escrow for any lien hold to request, the City filed a request for the balance of the excess funds. The due diligence period for the excess funds have ended and the city has received the excess funds in the amount of $39,493.67. Therefore, the staff is recommending the lien be released.
