The Mayor and Commissioners briefly discussed wayfinding signs for the city and shared their concerns about the medians on Ridgewood Avenue. Discussion on hiring more officers and the current part-time officers. Commissioner Byrnes wanted to state for the record that he would like to see the two vacant police officer positions filled. Mr. Forte informed the Mayor and Commissioners that the two vacant positions in the police department have been vacant for a year or more are in the CRA. They can put them back into the CRA but he doesn't want to fill any positions that don't have a specific purpose. Unless there is a specific policing program, there is no need to fill those positions at this time.
